Main Focus

Recruitment

1. **Job Placement Assistance:** We specialize in helping individuals residing in Japan find suitable job opportunities. Our team works closely with employers to match candidates with positions that align with their skills and career goals.
2. **Support for Nepali Graduates:** We are dedicated to assisting Nepali individuals holding a bachelor's degree who aspire to work in Japan. Our services include job placement, visa application guidance, and cultural orientation to help them transition smoothly.
3. **Personalized Career Counseling:** Our experienced counselors offer personalized career advice and support, helping candidates understand the job market, refine their resumes, and prepare for interviews to increase their chances of success.

- 4. Employer Partnerships:** We have established strong partnerships with a wide range of employers across various industries in Japan. This network allows us to provide our candidates with exclusive job opportunities and a better chance of finding the right fit.

SSW

- 1. Comprehensive Support for SSW (i) and SSW (ii):**
 - We assist foreign nationals in obtaining both SSW (i) and SSW (ii) visas, ensuring they meet all requirements and pass necessary exams.
- 2. Industry-Specific Expertise:**
 - Our company specializes in placing workers in the 14 designated industries for SSW (i) and the advanced sectors for SSW (ii), such as construction, shipbuilding, and nursing care.
- 3. End-to-End Recruitment Services:**
 - From initial application to job placement, we provide full support, including language training, skill assessments, and cultural orientation.
- 4. Family Support for SSW (ii) Holders:**
 - For SSW (ii) visa holders, we offer assistance with family relocation and integration, ensuring a smooth transition to life in Japan.

Other Services

Real Estate Consultant

1. Comprehensive Rental Assistance:

- We provide end-to-end support in finding the perfect rental apartment in Japan. Whether it is cozy studio in Tokyo or a spacious family home in Osaka, our team is here to help every step of the way.

2. Multilingual Support:

- Our services are designed to cater to clients from all over the world. We offer multilingual support to ensure clear communication and a smooth rental process, regardless of your native language. Our team speaks English, Japanese, Nepali, Hindi and several other languages to assist you better.

3. Expert Knowledge of the Japanese Market:

- With extensive experience and deep knowledge of the Japanese real estate market, we can provide valuable insights and advice. We help to navigate the complexities of renting in Japan, from understanding local rental agreements to finding properties that meet client's budget and lifestyle.
